## FIVE-STAR INDULGENCE

*Country house living at its very best*

Lucknam Park is a magnificent Palladian mansion dating from 1720. Maintained as a family home until 1987, it then opened its doors as one of the UK's top country house hotels. Set in 500 acres of listed parkland and beautiful gardens, Lucknam Park has been lovingly restored to the elegance and style of the past era. The distinguished hotel boasts 43 individually styled rooms and suites, Michelin star dining, an award-winning spa, equestrian centre, cookery school, family play facility and two stylish country cottages. Lucknam Park is truly one of England's finest hotels, providing 5-star luxury at every turn.

A warm welcome awaits you from our friendly and dedicated team, who will do everything possible to ensure you have a great stay. As our guests tell us, it is much more of a 'home away from home' atmosphere. Lucknam Park is privately owned and is a proud member of two luxury hotel collections; Relais & Chateaux and Pride of Britain. We strive to offer the very best facilities, comfort, food and service associated with their quality.

## INDIVIDUALLY STYLED

*Refined luxury blended with 21st century living*

Each of our 43 bedrooms are individually styled with unique key features and refined English furnishings. The antique furniture combined with contemporary touches ensure the historic rooms are true to their past, and provide everything you would expect from a 5-star hotel in the 21st century. Stunning décor and sweeping views, the classic design is a stylish take on what is quintessentially British. The bathrooms echo pure splendour, finished using the finest marble.
