WALLED GARDEN RESTAURANT

Seasonal all-day dining

Possessing all the romance and serenity of an English country garden, the Walled Garden Restaurant provides guests with a week-round, all-day dining experience.

Head Chef Alex Greene's menu celebrates local ingredients and fresh produce, such as spring lamb reared on the estate's grounds. An à la carte menu is served for lunch and dinner, changing with the seasons, and a lounge and specials menu are also available. Featuring a destination bar and lounge, sit and sip on a glass of English sparkling wine, or savour a cocktail from our fantastic bar menu.

At our Palladian mansion, we evoke a bygone era of Regency splendour. Guests can spend lazy afternoons beside the book-lined walls of the Library, in the sunlit Drawing Room, or out on the front lawn, surrounded by birdsong and sweeping parkland views. Here, we invite them to relax with a glass of Champagne in hand while indulging in a traditional afternoon tea—complete with delicate finger sandwiches, dainty patisserie, freshly baked scones with clotted cream and homemade preserve, and a curated selection of fine teas or coffee.

Our younger guests are never forgotten, thanks to our dedicated Children's afternoon tea menu, which includes ham, cheese, and cucumber sandwiches, sausage rolls, strawberry jam doughnuts, chocolate brownies, and Nutella scones.
